Important Things To Know About DACA During a Trump Presidency

1. **Deferred Action for Childhood Arrivals** is a program under President Obama's administration and it will remain until the end of his administration, January 20, 2017. Trump has said he will end all of Obama's executive actions, including DACA, and we won't know for sure what he will do until he comes into office.

2. Immigrant young people made DACA happen when everyone thought it was impossible. The reason we succeeded is because we dared to dream together and we had each other. In this moment of uncertainty one thing is certain, we are not alone. Join us in our **#HereToStay** campaign to fight to protect DACA!
